Extremely creative and really stood apart from other tenders I received. If you want to stand out from the crowd, Style Matters is definitely the way forward.

A beautiful company to work with offering outstanding furniture and the team are fantastic! Our bespoke sofa is perfect and they really know their fabrics.

LONG-STANDING PARTNERSHIPS

Style Matters have been trusted by Downing to supply furniture for their student developments for over fifteen years.

For over 15 years, Style Matters have proudly supplied Downing with furniture that meets their high standards and complements their vision for student living. This partnership has flourished based on a mutual respect for quality, durability and design.

Style Matters' ability to understand and execute Downing's requirements has resulted in the creation of living spaces that are conducive to the well-being and productivity of the students who call them home.

SUSTAINABILITY

We demonstrate a strong commitment to sustainability across various aspects of our operations.

Style Matters' dedication to sustainability is demonstrated in everything we do, from our materials selection to our delivery processes and partners.

FABRICS & MATERIALS

Our wide range of fabrics are selected and sourced not only for their aesthetic, quality and durability, but also with sustainability in mind.

WASTE MANAGEMENT

We adopt methods that minimise waste production, and any waste produced is efficiently processed for recycling.

PARTNER SELECTION

Style Matters collaborate with European partners who offer high-quality, luxury furniture, with aligning sustainability standards to ours.

LOGISTICS & DELIVERY

Through optimised delivery routes, eco-friendly packaging and our choice of delivery partners, our logistics processes are managed to reduce carbon emissions.
