Restaurant Seating

Innovative Seating Solutions for Hospitality & Commercial Spaces

We're proud to introduce the Sovereign Seating Range, a ground-breaking innovative collection designed to combine the elegance of wood with the durability of metal.

Exclusively supplied in the UK, the Sovereign Collection redefines comfort, style, and sustainability.

Whether furnishing a hotel, banquet room, restaurant, or outdoor area, the Sovereign Collection delivers stylish, long-lasting seating that meets the demands of high-traffic areas.

Crafted from durable metal, expertly designed to mimic the elegance of wood, it combines timeless style with exceptional comfort, and eco-conscious sustainability.

A HOST OF AMAZING BENEFITS

Noise & Squak-Free

Enjoy quiet, stable seating for guests. No squaks or noise when moving.

Eco Friendly Materials

Recycled materials with no tree cutting, making it both sustainable and responsible.

Minimal Waste No Repairs

Designed to last with no chipping, breakages, or need for frequent replacements.

Multi-Use Indoor & Outdoor

Suitable for indoor and outdoor use. Easy to move and wipe down.

Hygienic Easy Clean

Stain-resistant and anti-bacterial, making cleaning easy.

Customisable Finishes

Extend the life of your chairs with a cost-effective reupholstery option.

Real Wood Look & Feel

Metal wood grain technology creates a realistic wood appearance and texture.

10-Year Warranty & Guarantee

Confidence and peace of mind with every purchase.

More Cost Effective

At 50% less expensive than wooden chairs, this collection offers exceptional value.

Durable Scratch Resistant

Scratch and scuff resistance—5x more wear-resistant than traditional finishes.

Unmatched Strength

Our chairs bear up to 500 lbs, providing peace of mind for years of reliable use.

Lightweight with Nylon Glides

Effortlessly transport and store chairs with a lightweight yet sturdy design.
